Maxwalton **SCOTCH SHORTHORN CATTLE** **Auction Sale**

uniformity
IS IMPORTANT

Wherever Shorthorn cattle are known
the name MAXWALTON commands the
highest possible respect in a pedigree—

This group, sired by Browndale Cumberland,
won first prize in the get-of-sire class at the
American Royal Show, the International Live
Stock Exposition and at all other shows where
exhibited in 1940.

GUARANTEE—

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

TERMS—

The terms of the sale are cash.

HEALTH—

The Maxwalton Herd is Federally Accredited for tuberculosis (certificate number 237900) and every animal has passed the blood test for Bangs Disease within thirty days of the date of the sale. A 60 day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

SCOTCH SHORTHORNS

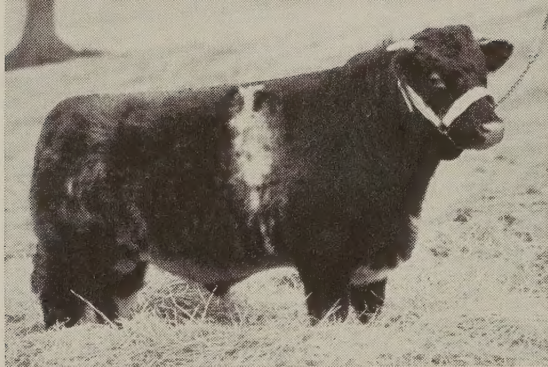

Sale to be held in the

Dexter Park Sale Pavilion, Union Stock Yards

CHICAGO, ILLINOIS, TUESDAY MORNING, JUNE 3, 1941

at 9:30 o'clock A. M. (Central Standard Time)

HAL LONGLEY, Sale Manager, 37 Island Ave., AURORA, ILLINOIS

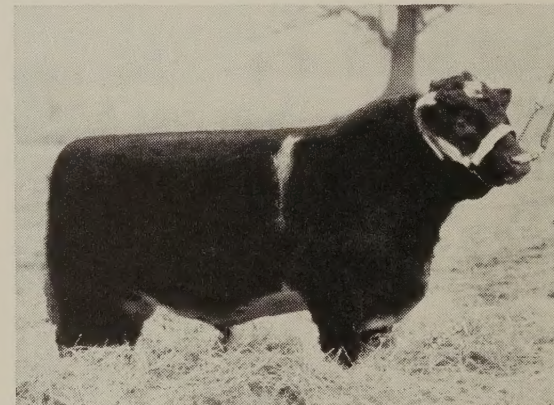

1—Maxwalton Nonsuch, top bull in the 1940 Sale. Sold to Glen Leigh Farm, Mansfield, Ohio at \$1650. Several heifers in the 1941 sales are bred to him.

2—Maxwalton Advance, sired by Browndale Cumberland and out of a Browndale Captain dam. Sold in 1940 sale to B. Hollis Hanson, Connersville, Ind.

3—Maxwalton Ace, sold to Kalarama Farms, Springfield, Ky. Bred similarly to bull Lot 5 in this catalog.

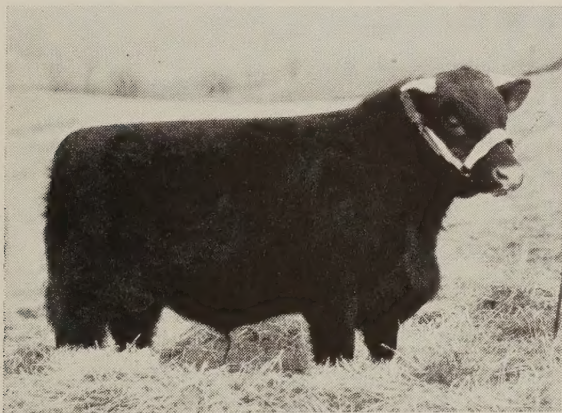

4—Maxwalton Triumph, sold to Elliott Farm, Richmond, Ill. A heifer in this sale is out of the same dam.

5—Maxwalton Dominator, sold to North Dakota Agr. College. This bull has developed into one of the top bulls in the Northwest.

7—Maxwalton Proud Emblem, purchased by the University of Illinois in the 1940 sale and later the winner of junior championship at the 1940 International Live Stock Show.

6—Maxwalton Guardian, sold to R. M. & Joe Isler, Prospect, Ohio. Lot 6 in this sale is out of his granddam.

These bulls sold in our last year's sale and are now making good for their new owners.

Progress Is Certain With Shorthorns of This Type

Progress toward the perfect type is uncertain in those herds where the seed stock has been selected on the basis of flashy pedigrees without due regard to individual merit. Progress is equally uncertain in those herds where showy individuals are lacking in the kind of ancestry that will guarantee performance. Progress toward the perfect type is **only** possible when the individuality is right, the ancestry is right and when the seed stock is produced in a herd where this type has been firmly established by generations of constructive matings. Such a herd is the **Maxwalton Herd** at **Mansfield, Ohio**. The 34 beautiful young Scotch Shorthorns that will be offered in the Annual Maxwalton Sale at Chicago on June 3d are blockier, more compact and shorter legged than any that have been offered before from this famous herd and they are backed by such strong ancestry that their ability to reproduce this type is assured.

Wherever Shorthorn cattle are known, the name "Maxwalton" means quality. Every breeder, from the largest down to the smallest, recognized the prestige in this name because they know that for a third of a century superior individuality has gone along with each animal bearing it. All that should be necessary to create a desire in YOU to own some of the animals that are to be offered in this 1941 auction sale is the plain statement that these thirty-four beautiful individuals are sure to add further prestige to the name "Maxwalton"—Hal Longley of The Shorthorn World.

ANNOUNCEMENT

With much pleasure we invite all those who are interested in Shorthorn cattle to attend our Annual Auction Sale which will be held in the Dexter Park Sale Pavilion at Chicago on June 3rd. Our decision to again hold the Maxwalton sale in Chicago is prompted by our desire to make the sales that are to be held during "National Shorthorn Week" as convenient as possible for buyers from a distance. Our offering consists of a select group of bulls, many of them promising candidates for top honors at this season's shows. The females are richly bred and we believe them to be the kind upon which successful herds may be founded. This offering again features the get of Browndale Cumberland and Browndale Conqueror and we are confident that those who attend the sale will agree with us that these are the two greatest sires ever used at Maxwalton Farms.

We do not wish to praise our own cattle beyond their real merit. At considerable work and expense this catalog has been made most complete and informative. No statements have been made that are overdrawn. We cordially invite you to be with us on the day of our sale.

GENERAL INFORMATION

The 1941 Maxwalton Auction Sale will be held in the Dexter Park Sale Pavilion at the Union Stock Yards in Chicago, Illinois.

The sale will be held at 9:30 A.M. Central Standard Time on Tuesday, June 3, 1941.

Those who attend the Edellyn Sale on the day previous will find it convenient to spend the night at the **Stock Yards Inn** which is located only a short distance from the sale pavilion.

We suggest that you inspect the Maxwalton sale offering on Sunday and spend Sunday night at the Stock Yards Inn. Then attend the Edellyn Sale on Monday, June 2nd and return that evening to the Stock Yards Inn.

The auctioneers will be A. W. Thompson and J. E. Halsey.

Those unable to be present and who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

Will Johnson, The Shorthorn World, Aurora, Ill.

Clinton K. Tomson, The Shorthorn World, Aurora, Ill.

J. F. Richards, The Drovers Journal, Chicago, Ill.

H. J. Gramlich, American Shorthorn Breeders' Ass'n, Chicago, Ill.

NATIONAL SHORTHORN WEEK

June 2—1:00 P. M.—Edellyn Farms Sale, Wilson, Ill.

June 3—9:30 A. M.—Maxwalton Farms Sale, Union Stock Yards, Chicago, Ill.

June 3—12:30 P. M.—Allendale Farm Sale, Union Stock Yards, Chicago, Ill.

June 4—1:00 P. M.—Dispersion Sale of S. T. Whalin & Son, Rose Hill, Ill.

June 5—1:00 P. M.—Wm. A. Allison's Sons' Sale, Washington, Ind.

All sales held on Central Standard Time.

This is the most important circuit of Shorthorn cattle sales in the entire year. Transportation from one sale to another is very convenient and the management of each sale will cooperate in the assembling of cattle for shipment at lowest cost.

This is Maxwalton Alert, the son of Browndale Cumberland that has been retained for service in the Maxwalton Herd. After winning first prize in the strong junior calf class at the 1939 International Stock Show, we refused numerous offers to sell him at prices higher than any bull in this country has brought during recent years. The type and quality of his first calves assure us that we were right in holding this great young bull for use in our own herd.

At Maxwalton Farms we are not content with the production of an occasional top prize winner. More important to us is the task of fixing a type so that our entire crop of calves will receive the approval of good judges everywhere. That we have accomplished our aim through the use of **Browndale Cumberland** and **Browndale Conqueror** is clearly indicated by the records of 1940 shows. A quartet of calves sired by the former went through the entire season without defeat in the get-of-sire class. The ten head group, all bred at Maxwalton and containing calves by both sires, won the trophy of "Best Ten Head" at the American Royal Show. We point to these and other first prize group awards as an indication that all Maxwalton bred Shorthorns are uniformly good. And we point to such awards as the International and other junior championships as an indication that each individual animal will bear the most critical inspection.

**These Great
Sires Are

the Top Quality
of this Sale
Offering—**

Above is shown Browndale Cumberland 1883723 and at the right is Browndale Conqueror 1912614, two of the greatest stock bulls ever used in the Maxwalton Herd. Both are sons of Browndale Pilot and both are out of closely related dams of the Lovely tribe. Because of this close relationship there is a marked similarity in the type and conformation of the calves by these two bulls. That each is siring calves of the RIGHT type and the RIGHT conformation is clearly evident from the records at the 1940 shows.

Maxwalton Grandee is ready for heavy service. He is very blocky and has a thick covering of smooth flesh. The bulls in his pedigree are a guarantee that he will sire the right kind of calves.

Maxwalton Souvenir

**A better bull will not
be sold this year—**

Maxwalton Souvenir—

Although all thirteen of the bulls in this sale are very uniform in their compactness, depth, shortness of leg, and all are of uniformly high quality, we believe Maxwalton Souvenir to be our "headliner" bull. Not only do we feel that he is the best herd bull prospect we ever offered for sale but we are also rather sure that no better bull will be offered anywhere this year. This bull analyzes perfectly. As his picture shows, he has a head that cannot be faulted, — the kind of a head that gives absolute assurance that he will pass on to his calves all of his superior characteristics. He is beautifully balanced, exceptionally thick and blocky, and very short legged. He is level in his lines, smooth at the rump and is covered from end to end with smooth, mellow flesh. He is a son of Browndale Conqueror, whose first calf topped our 1940 sale and whose calves are so very uniform in type and of such uniformly top quality that we rate him as the top sire in the history of the Maxwalton herd. The dam of Maxwalton Souvenir is a solid dark red cow sired by the Congress champion Melba Minstrel, a bull who passed on wonderful smoothness and quality. The second dam was bred at Edellyn Farms and the third dam was the Duthie Webster bred cow Imp. Collynie Fairy Ring.

We reserve the right to show Maxwalton Souvenir during 1941. He is as promising in every way as Maxwalton Proud Emblem, the bull with which we won the junior championship at the last International. We will have Maxwalton Souvenir insured for the full purchase price and he will be delivered to his new owner immediately following the International. — And we are very confident that we can deliver a number of championship ribbons along with him.

Maxwalton Harvester

He will win top honors in the show ring and will breed true to form.

Maxwalton Harvester—

Do you remember that the University of Illinois bought an August calf in our sale last year that was good enough to win the International junior championship in December? Here is a September calf of equal promise. He was a little green when this picture was taken and it does not do him justice, but we promise you an eyeful when you see Maxwalton Harvester. He is a flashy, even roan with a perfect top and rump, beautiful balance, depth of body, and strength of quarters. His dam was a prize winner at the International and we are so sure that he will be a winner at 1941 shows that we want to reserve the right to exhibit him. We will insure him for the full purchase price and he will be delivered immediately following the International at which time he will be just ready for service. And here again, — we believe we can provide the new owner with an enviable show record.

Maxwalton Patriot

**Backed by
intense Avondale
breeding—**

Maxwalton Patriot—

This very dark roan bull will impress you with his style and character. As his picture shows, he is very compact and blocky, with short legs, deep quarters, a smooth tail setting and a short, wide, masculine head. His dam is a beautiful cow of the fashionable Gordon Clipper tribe and it should be worth a great deal to the buyer to note that the first seven bulls in this pedigree are all directly descended from Avondale.

Maxwalton Reflector

**A full brother
to the top bull
in our sale
last year—**

Maxwalton Reflector—

Many persons visit Maxwalton Farms in the course of a year. Nearly all of them make the attempt to pick out the best cow in the herd of two hundred beautiful females. By far the largest percentage of visitors select the beautiful dark red cow Victoria 96th by Browndale Captain and we agree with them. She is the dam of Maxwalton Reflector, he a full brother to the sensational Maxwalton Nonsuch that topped our sale last year. Maxwalton Reflector is a solid dark red and his ancestry would make certain the reproduction of dark colored calves. His ancestry should also guarantee his ability to reproduce his remarkably, blocky, compact, short legged form as well as his thick, mellow flesh. We can highly recommend this bull.

Maxwalton Woodman

**From one of
the most profitable
Maxwalton Cavilier—**

Maxwalton Woodman—

Here is a bull from a family that has really done things in the Maxwalton Herd. His dam is out of the cow that produced Maxwalton Gold Standard, the great young bull in service in the Carobill Herd owned by Mr. & Mrs. Copley. She also produced the bull Maxwalton Guardian that sold in our last sale to R. M. & Joe Isler and a daughter of this cow is one of the top cows in the Morlunda Herd owned by Oscar Nelson & Son. The three animals mentioned above sold for a total of \$2700.00. Maxwalton Woodman is just about as level, deep and true-made as any bull you could find and he is the personification of smoothness and balance. He has the head and neck of a great breeding bull and we predict that he will be one.

Maxwalton Augusta King

Bred just like Maxwalton Alert—

Maxwalton Augusta King—

Our confidence in this youngster is well founded because he carries almost identically the same pedigree as Maxwalton Alert, the great young Maxwalton junior herd bull that won first prize at the 1939 International and that is now siring beautiful calves. Maxwalton Augusta King is a solid dark red in color, very thick and blocky, with a grand spread of rib, a smooth tail setting and full quarters. His dam, a great milker, is a member of the strong Bruce Augusta family and Tomson Bros. and Robert Bruce have bred all ten generations in the pedigree. Because of a brief setback, two months ago, this bull does not carry quite the bloom of some of the other bulls but until that time he was the pick of the entire crop. We hope he will go into good hands because our future sales will be filled with calves sired by Maxwalton Alert, his three quarters brother.

Maxwalton Red Baron

**A grand combination
of perfect color, type,
quality and style—**

Maxwalton Red Baron—

This is only a September calf but those buyers who have secured the short aged bull calves in former Maxwalton sales have certainly done well with them. Study his picture very carefully. You can see that he has a very strong head and that he is deep bodied with a level top and bottom. He is also well filled over the heart, has a very smooth tail setting and is remarkably well balanced throughout. His dam, a member of our very reliable Jealousy family and a daughter of Browndale Golden Victor, was in our show herd for two years. You will like this grand calf and we are certain that he will breed true to his type.

Maxwalton Sky Pilot

**Like all the others—
blocky, compact and
short legged.**

Maxwalton Sky Pilot—

Here is a very level bodied, good headed bull, dark roan in color and with a natural, well turned horn. His dam is a member of the Blythesome family and the bulls listed in his pedigree have all made Shorthorn history. We have a solid red full sister of this bull that will be the junior heifer calf in our show herd this year.

Maxwalton Landmark—this bull is a very attractive dark roan and his sire and dam are exactly the same color. He is not quite as rugged as some of the other calves but he is remarkably level, compact, well balanced, short necked and smooth fleshed. We can recommend him as a very desirable stock bull for a breeder whose females tend toward coarseness. Note that he is by Browndale Conqueror and out of a dam by Proud Archer. A good heifer out of the same cow also sells in this sale.

Maxwalton Grand Marshall is a solid dark red bull that shows real promise. He has a grand head, is well balanced, with a level top and bottom and short legs. His dam, an excellent young short legged roan came from the strong McLay Bros. herd and is a daughter of the many times champion bull Reserve Grand Marshall.

The winning ten head group at the 1940 American Royal, all bred and exhibited by Maxwalton Farms, Mansfield, Ohio. Animals included are sired by Browndale Cumberland or Browndale Conqueror.

Below—This pair, both bred and developed at Maxwalton Farms, won first prize in the class for pair of yearlings at the 1940 International Live Stock Show.

Maxwalton Gloster 74th

**A top prize
winner at
strong 1940
Shows—**

Maxwalton Gloster 74th—

Many recent visitors at the farm have called her the best heifer in the sale. Last year, as a junior calf, this daughter of Browndale Conqueror won second prize at four state fairs and the American Royal and she was a member of the second prize pair of calves at these same shows. She will be a full age junior yearling for 1941 shows and will be hard to beat. She is out of a solid red daughter of Browndale Captain and all students of Shorthorn pedigrees will agree that there is no better bred Duchess of Gloster female in the land. We have another heifer out of the same cow in the herd or this one would never be exposed for sale. Because Maxwalton Gloster 74th is such a promising candidate for 1941 shows, we have left her open.

Maxwalton Clipper W 4th

**She will be hard to

Maxwalton Clipper W 4th—

With a little more fitting, this flashy roan heifer will do a lot of winning in the junior yearling class this year. She has a wonderfully feminine head, plenty of style and quality, and is beautifully balanced. She is out of the same dam as Maxwalton Clipper W 3d, the heifer we showed so successfully as a calf, yearling and two year old. She is a member of the most fashionable branch of the Clipper family and her dam was by Browndale Captain. We are absolutely certain that this heifer will make a great brood cow. She sells open.

Maxwalton Mayflower

**A winning
senior yearling
for 1941 shows—**

Maxwalton Mayflower—

This heifer was the senior calf in our last year's show herd and she is a strong candidate for top honors in the senior yearling class at 1941 shows. This smooth, blocky, dark roan heifer should be a grand investment for any breeder. She is a daughter of the noted Browndale Cumberland and she is in calf to the sensational young bull Maxwalton Nonsuch, top selling animal in our 1940 auction sale. This is the kind of a heifer upon which successful herds are founded.

Maxwalton Mayflower 2d

A winning summer yearling for 1941 shows

Maxwalton Mayflower 2d—

Is a show prospect that we believe will give a good account of herself in the summer yearling class this year. She is a very dark roan in color and out of a Tomson bred Mayflower cow by Proud Marksman. The dam of this heifer is a half sister to the good bull Advance Marksman that is siring such great calves in the Morlunda Herd. Here is a very showy heifer, short legged, thick and full of quality.

Victoria of Maxwalton

**A top female in
any herd—**

Victoria of Maxwalton—

A heifer with real quality and class and one that should make a splendid show and breeding record. She is a rich dark roan, sweet headed, and as her picture indicates, she is as level as a die. She is out of Victoria heifer that we bought from Gardhouse & Sons after they had won first prize on her in the junior calf class at the leading Canadian shows. You will like this attractive heifer.

Max Orange Blossom W 19th — We cannot offer you any better breeding than is represented in this dark roan heifer. She is a daughter of Browndale Conqueror, her dam was by Browndale Captain, her second dam was by a son of Revolution and her third dam was a direct daughter of the great Bard of Avondale. The fifth female in this pedigree was the imported Orange Blossom cow. This heifer is not in as high condition as some others in the sale, but she is level lined, of the right type and we can recommend her highly as a future great breeding cow.

Maxwalton Clipper B

**A good heifer
for herd
foundation—**

Maxwalton Clipper B—

A solid dark red daughter of Klaymor Beau Ideal, the great son of Imp. Collynie Royal Barrage that is in service at Beath Farms. We bought her dam in the Beath Sale two years ago and she was one of the best females exposed for sale in that auction. The dam is a solid red daughter of Imp. Walshford Paymaster, and she is a full sister to the top heifer in the last Beath Farm's Sale. The pedigree of this attractive Clipper heifer is exactly the same on the dam's side as the pedigree of Regal Clipper, the bull that Will Dryden sold in an International Sale to Stanley F. Miller of Wisconsin.

Roan, calved Mar. 14, 1940. Bred by Beath Farms, Oshawa, Ont., Can.; calved property of Maxwellton Farms Inc., Mansfield, Ohio.

Maxwalton Myrtle 4th is the youngest heifer in the sale, but she is a perfect prospect for 1941 shows. Knowing what we do about this famous Phingask Myrtle family we are certain that this baby heifer is worth far more as a future breeding prospect than many that will sell at higher prices. This heifer is out of the same cow that produced Maxwalton Cumberland, the bull that is now in service in the Ohio State University herd.

Maxwalton blue
ribbon winners
at the 1939
International Show—

Above—Maxwalton Alert and Maxwalton Beauty 9th, both sired by Browndale Cumberland. Together they won first prize in the class for pair of calves at the 1939 International Stock Show. Singly they won first prize in the junior bull calf class and second prize in the senior heifer calf class. Note the perfect heads and superior type. Left—Maxwalton Beauty 9th, termed by many as the most perfectly formed individual in the 1939 International show. This daughter of Browndale Cumberland won second prize in the strong senior calf class. She is typical of the calves by this famous sire.
